Voice of India, New Delhi, 2017. Soft cover. Condition: New. Reprint: vi+58p., ind., 23cm. It is this version of Indias history which gave a good conscience to the British imperialist while he pulverised Hindu society, plundered Hindu wealth and poured undisguised contempt on Hindu culture, It is this version of Indias history which emasculated Hindu society and emboldened the residues of Islamic imperialism to stage street riots and then walk away with precious parts of the Hindu homeland, thus consolidating an aggression which had not succeeded even though mounted again and again for more than a thousand years. It is this version of Indias history which is being invoked by the fifth-columns of Islam, Christianity, and Communism, each of which looks forward to a final conquest of this country with the help of foreign finances and, if need be, foreign firearms. And it is this version of Indias history which is being promoted by power-hungry politicians who woo the Muslim vote-bank while they divide Hindu society into mutually hostile camps.
