Createspace Independent Publishing Platform, United States, 2018. Paperback. Condition: New. Language: English. Brand new Book. Online predators, cyberbullying, and sexual extortion. These are the main threats to your children's online safety. Make sure you're child doesn't fall victim to them today by knowing the ins and outs of internet threats. Prevent cyberbullying before it can affect your children.Cyberbullying takes many forms, but if you teach your children about them it will stop it before it can become a major problem. We'll help teach you to teach your children everything you both need to know to help keep them safe. When our children are more internet savvy that we are, it's difficult to know what potential dangers they face online when we can't even navigate that world ourselves. How do we keep them safe when we know next to nothing about digital safety and Parental Controls? Well, that's where this guide comes in: we're here to teach you everything you need to know about both so you can keep your children safe. In this guide we'll talk you through: - Signs of cyberbullying in teens and tweens - How to spot an online predator before they strike - What the right Parent Controls are for you and your children Taking charge of your children's internet safety couldn't be easier with our Parental Controls guide.
